How to Use Your Passport

GEOTHERMAL LIFESTYLE | COLORADO HOT SPRINGS PASSPORT

This passport is your personal record of the Colorado Hot Springs Loop.

Visit all 23 springs, stamp each entry, rate your experience, and write your notes.

01

VISIT THE SPRING

Find any spring on this list and make the journey. Each one is unique — different minerals, temperatures, and atmospheres.

02

MARK YOUR STAMP BOX

Fill in or mark the stamp circle on each spring's page to record your visit. Note the date.

03

RATE YOUR SOAK

Circle your star rating from 1-5. Be honest — this is your personal record.

04

WRITE YOUR NOTES

Use the notes lines to capture what made each spring memorable. Temperature, company, conditions, feelings.

05

COMPLETE THE LOOP

The Colorado Hot Springs Loop covers over 800 miles of mountain scenery. Completing all 23 is a genuine achievement.

ABOUT THE COLORADO HOT SPRINGS LOOP

The Colorado Hot Springs Loop is an 800-mile scenic route connecting 23 geothermal facilities across the Rocky Mountains. From primitive wilderness soaks to world-class resorts, the loop showcases the most concentrated hot springs network in North America.
